Read With Someone

In Grade 4, we want to expand our Learning Universe. Each week, try to find someone new to read with and get them to sign your Learning Grid and add them to your list.

The Homework Machine

The Homework Machine, oh the Homework Machine.

Most perfect contraption that's ever been seen.

Just put in your homework, then drop in a dime.

Snap on the switch, and in ten seconds' time.

Your homework comes out, quick and clean as can be.

Here it is -- "nine plus four?" and the answer is "three."

Three?

Oh me...

I guess it's not as perfect

As I thought it would be.

~ Shel Silverstein
